Triangle Photographers Association

TO THE TRIANGLE PHOTOGRAPHERS ASSOCIATION:

I certify that I have personally originated the concept behind each entry and, that to the best of my recollection, images represented by my entries in no way intentionally imitate any other photographic work I am familiar with. I further certify that I have created, composed and made the original exposures and that the printing and any special effects were done by me, if entering as "MADE BY ENTRANT".

If entering the E/I category, I certify that I have personally performed all digital manipulations on each entry.

I have obtained property and model releases and all necessary releases for any copyrighted materials used in the creation of my entries. I understand that my entries may be used for display and/or publication without compensation and I agree to hold Triangle Photographers Association, its Officers and Board of Directors harmless against all claims and liabilities arising out of the display, publication, promotion, or other use of each photograph or other materials submitted to Triangle Photographers Print Competition.

Submission of entries constitute acceptance by the entrant of the foregoing rules and any special determinations made by the print committee or judges on matters not otherwise provided for in these rules.
